

## BUGABOO SMACKDOWN!

The Bugaboo Cameleon (\$1270, 20 lbs.) is the reigning champ of ultra expensive, three component strollers (combining a bassinet, stroller frame and seat). Whether you think it is a cleverly designed

stroller that embodies urban chic . . . or a sign of wretched excess, Bugaboo sure has been one thing: a design leader. Now competitors are nipping at Bugaboo's wooden shoes. We rate the contenders on a scale of one to three klompen! (Google it.)

CONTENDER	PRICE	WEIGHT	BUGABOO-ISH?	COMMENTS/VERDICT
<b>BABY JOGGER</b> CITY SELECT 	\$430	28.1 LBS.		Swiss Army knife of strollers with 16 configurations. 2nd seat runs \$160, bassinet is \$90. <b>But it weighs 40% more than Bugaboo.</b>
<b>BRITAX</b> B-READY 	\$400	28.1 LBS.		<b>Reversible seat, 14 different seat configurations.</b> 2nd seat is \$150. Wheel suspension, large storage basket. Fashion is a bit dull.
<b>CHICCO</b> URBAN 	\$400	24.1 LBS.		Telescoping handle, aluminum frame, standing fold, large basket, quick release EVA tires. <b>Reversible seat that converts to carry cot.</b>
<b>MAMAS PAPAS</b> SOLA 2 	\$400	26.1 LBS.		Reversible seat, height adjustable handle bar, lay flat seat. <b>Includes rain cover.</b> Affordable. But tiny basket won't hold much.
<b>NUNA</b> IVVI 	\$800	29.8 LBS.		Includes car seat adapter, <b>full canopy extends to cover entire stroller</b> , run flat rubber wheels. But weight is nearly 30 lbs.
<b>QUINNY</b> BUZZ XTRA 	\$450	29.4 LBS.		Price includes stroller, carry cot and infant car seat. <b>Extendable zipper canopy, air-filled front tire.</b> Full recline. Reversible seat. Tri-wheel.
<b>UPPABABY</b> VISTA 	\$840	27.5 LBS.		<b>Pricey, but includes bassinet</b> , height adj. handle, rain shield, mesh sun shade, rubber-like foam wheels. Bonus: \$130 rumble seat for toddlers.
<b>PHIL &amp; TEDS</b> SMART LUX 	\$400	26.2 LBS.		<b>Modular seat has 21 configurations;</b> air filled wheels. Affordable, but car seat adapters and bassinet are separate purchases.
